

# The OAKDALE ORACLE

Since 1992, our Oakdale family has been committed to achieving excellence in education, child care and development for children. We appreciate the opportunity to become partners with you in your child's educational and spiritual growth. We are especially honored to be able to offer a safe, caring environment conducive to developing spiritual and moral values. Therefore, we seek to provide stellar education combined with Biblical teachings that will positively affect your child for the rest of his/her life.
